

7th November 2024

Dear Parents/Carers,

Your child will be participating in the multiplication tables check (MTC) in June. The purpose of the check is to determine whether your child can fluently recall their times tables up to 12, which is essential for future success in mathematics. It will also help your child's school to identify if your child may need additional support.

What is the multiplication tables check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

How will the results be used?

Schools will have access to all their pupils' results, to allow them to identify pupils who need additional support.

Will I receive feedback on my child's check?

Yes. Your child's teacher will share your child's score with you on Class Dojo next week.

What can I do to support?

- TTRockstars is built to replicate the MTC. Please ensure your child plays Times Tables Rock Stars 3 minutes a day and provide regular verbal times tables practice.

We have recently practiced and we will let you know your child's results out of the 25 questions.

Thank you in advance for your support.

Yours faithfully

Miss Richardson
Headteacher

"They will soar on wings like eagles"

Nurture. Respect. Responsible. Community.
Compassion. Courage.
